BEST OF 2026 AWARD WINNER
BusinessRate

OUR MISSION

To protect property investments through quality construction, transparent communication, and reliable restoration services while building lasting relationships grounded in integrity and accountability.

COMPANY OVERVIEW

Commercial & Residential Roofing / Storm Restoration / Property Renovations

EWILLINSURE Roofing & Exteriors is an Atlanta-based roofing and restoration contractor providing roofing, exterior construction, storm damage recovery, and property renovation services for residential, commercial, institutional, and government properties. Backed by 30 years of insurance industry experience and 60 years of combined general contracting expertise, EWILLINSURE adds specialized knowledge of damage assessments, Xactimate estimating, building codes, and insurance-related restoration requirements. Experienced trade teams, established suppliers, and centralized project management support consistent workmanship, cost control, and dependable delivery on projects from commercial roof replacements and storm repairs to large exterior improvements and full interior renovations.

30 years in the insurance industry

60 years of combined contracting

KEY DIFFERENTIATORS

INSURANCE-INFORMED CONSTRUCTION EXPERTISE

30 years of insurance experience complement our construction capabilities, supporting damage documentation, accurate estimating, and project planning.

60 YEARS OF COMBINED CONTRACTING EXPERIENCE

General contracting expertise across roofing, exterior restoration, and interior renovations enables coordinated execution of complex, multi-trade projects with a focus on quality control.

SINGLE-SOURCE PROJECT COORDINATION

Integrated roofing, exterior, and interior capabilities streamline contractor management, reduce administrative complexity, and provide oversight from assessment to completion.

TECHNOLOGY-DRIVEN PROJECT MANAGEMENT

Xactimate, AccuLynx, JobProgress, and Concrete CRM support estimating, scheduling, communication, project documentation, and accountability throughout construction.

RELIABLE SUPPLIER & TRADE NETWORK

Established supplier partnerships, experienced field teams, and strong credit standing promote reliable material access, efficient coordination, and schedule adherence.

COMMERCIAL & GOVERNMENT CONTRACT EXPERIENCE

Commercial, federal, and government contract experience supports familiarity with project requirements, professional standards, and compliance-focused execution.

PROVEN CUSTOMER SATISFACTION

More than 200 five-star Google reviews and positive Better Business Bureau feedback demonstrate responsive service, clear communication, and quality workmanship.
